## A BOUT COLAB

What is it? → quick and easy weekly checkins for teachers to support their teams...

- and get the job done.
- and provide feedback on certain practices to improve behavior/collaboration
- and to help reduce the stress of students working together.

different ways of saying what it does:

## IS THIS YOU?

Green: One of the colors bubbles HAVE YOU ON YOUR STUDENTS SIDE IN THIS STATION?

"I wanted to let you know that Jordan hasn't been doing her fair share for the project. Chris, Stephanie and I have been the only ones doing our part. Can we work with someone who will actually do their job?"

next

- As a professor, you hold responsibility for the collaborative work provided in class. In this sense, you provide support and guidance.

- As a student, your responsibility is to pull your own weight while learning how to collaborate effectively.

next

- Therefore, our team @ COLAB has made it easier and quicker than ever before to address group projects.
